**The Art of the Game: Understanding Public Policy (with InfoTrac®)** By Stella Z. Theodoulou, Chris Kofinis

THE ART OF THE GAME defines the dynamics of public policy, elucidates the complexity intrinsic to each stage of the policy process, and delves into the implications of public policy for American politics and society. Illustrating concepts and theories relevant to the policy process, the text incorporates contemporary examples with a variety of creative exercises that develop a theoretical and practical understanding of the subject matter. Underscoring this approach is a desire to combine both academic and applied perspectives. This approach helps readers to comprehend the significance of each stage and the dynamics of the policy process. In other words, rather than offering mere description or a standard explanation of the subject matter, THE ART OF THE GAME merges solid coverage of theoretical principles with an applied policy approach.
