### The Devious Dr. Jekyll: An Electric Empire Novel (Electric Empire Novels)

By Viola Carr

Dr. Eliza Jekyll, heroine of the electrifying *The Diabolical Miss Hyde*—an edgy steampunk retelling of the classic *Dr. Jekyll and Mr. Hyde*—investigates a bizarre murder case in an alternate Victorian London while battling her treacherous secret half: Lizzie Hyde.

Solving the infamous Chopper case has helped crime scene physician Dr. Eliza Jekyll establish her fledgling career in the chauvinistic world of Victorian law enforcement. But the scrutiny that comes with her newfound fame is unwelcome for a woman with a diabolical secret. And there is the mercurial Royal Society agent and wolf man Remy Lafayette. Does he want to marry her, eat her, or burn her at the stake? Though Eliza is uncertain about Remy, her dark and jealous shadow self, Lizzie, wants to steal the magnetic and persistent agent, and usurp Eliza's life.

It's impossible to push Remy away when he tempts her with the one thing she can't resist: a bizarre crime. The search for a bloodthirsty ritual torturer dubbed the Pentacle Killer draws them into a terrifying world of spies, art thieves, and evil alchemy, where the price of immortality is madness—or damnation—and only Lizzie's dark ingenuity can help Eliza survive.

As Eliza and Remy race to thwart a foul conspiracy involving the sorcerous French, they must also overcome a sinister enemy who is all too close: the vengeful Lizzie, determined to dispose of Eliza for good.

#### From the Back Cover

A perilous case. A worthy foe. Th?s could make her career . . . or ru?n ?t forever.

Solving the notorious Chopper case was supposed to help crime scene physician Dr. Eliza Jekyll—daughter of the infamous Henry—establish her career in the chauvinistic world of Victorian law enforcement. But the scrutiny that comes with her newfound fame is unwelcome for a woman with a diabolical secret: her dark and jealous shadow self, Lizzie Hyde. And there is the mercurial Royal Society agent with his own secret to hide, Captain Remy Lafayette. Does he want to marry Eliza or burn her at the stake? It’s impossible, however, for Eliza to push Remy away when he tempts her with the one thing she can’t resist: a bizarre crime to investigate. And although Eliza is uncertain about Remy, Lizzie isn’t. Lizzie wants to steal the magnetic and persistent agent and usurp Eliza’s life.

As the search for a bloodthirsty torturer dubbed the Pentacle Killer draws Eliza and Remy into a terrifying world of spies, art thieves, and evil alchemy—where the price of immortality is madness or damnation—only Lizzie’s dark ingenuity can help Eliza survive. Eliza and Remy must race to thwart a foul conspiracy involving the sorcerous French, but they must also overcome a sinister enemy who is all too close to home: the vengeful Lizzie, who is determined to dispose of Eliza for good.
