**Adventurers Wanted, Volume 3: Albrek's Tomb** By M.L. Forman

Two thousand years ago, the dwarf Albrek went looking for new mines in the land of Thraxon in the hopes of becoming rich. No one knows if he ever succeeded, though, as all trace of Albrek and his followers simply vanished from history. Now, however, the dwarves must find the magical talisman that Albrek carried with him before their mines run dry, which would threaten the livelihood of the entire dwarf realm. And so the newly named wizard Alexander Taylor joins a familiar company of adventurers on a quest to discover what happened to Albrek, find his mythical tomb, and locate the lost talisman.

Discovering Albrek's fate, however, may be the least of the adventurers' problems when they cross paths with an ancient, wandering paladin who has a taste for confrontation and a paranoid belief that some great evil is working in all of the known lands. Alex and his friends must travel through the shadow of an empty oracle's tower, where a whispered legend is about to come true, and strike out for the distant parts of Thraxon that are only spoken of in old tales and half-forgotten myths. Join Alex and his brave companions on an adventure that will test their courage beyond their limits.
