Bringing Origami to Life (Dover Origami Papercraft) By John Montroll

Add a new dimension of realism to your origami! Using innovative folding techniques, matched with clear, easy-to-follow directions, you will almost feel the ground shake when the apatosaurus is around, and hear the baying of the coyote as it howls under the moon. These and 23 other projects will provide endless hours of enjoyment for both the beginner and advanced folder. As an added bonus, a brief lesson in wet folding is given at the beginning of the book; this technique is used by many folders to make the models more permanent and life-like.

Editorial Review

About the Author

Internationally renowned author John Montroll has significantly increased the origami repertoire with his original designs. Best known as the inspiration behind the single-square, no-cuts, no-glue approach, the American origami master offers readers meticulously developed folding sequences that allow them to create better models with fewer steps.

Users Review
