Politics, Culture, and Class in the French Revolution: With a New Preface, 20th Anniversary Edition (Studies on the History of Society and Culture, No. 1) By Lynn Hunt

When this book was published in 1984, it reframed the debate on the French Revolution, shifting the discussion from the Revolution's role in wider, extrinsic processes (such as modernization, capitalist development, and the rise of twentieth-century totalitarian regimes) to its central political significance: the discovery of the potential of political action to consciously transform society by molding character, culture, and social relations. In a new preface to this twentieth-anniversary edition, Hunt reconsiders her work in the light of the past twenty years' scholarship.

Editorial Review

Review

"Exhilarating. . . . [A] work of first importance: not only essential reading for specialists, but an exciting introduction for outsiders."--"Times Literary Supplement"

About the Author

Lynn Hunt is the Eugen Weber Professor of Modern European History at the University of California, Los Angeles. She is the author of *The Family Romance of the French Revolution* (California, 1992) and the editor (with Victoria E. Bonnell) of *Beyond the Cultural Turn: New Directions in the Study of Society and Culture* (California, 1999). She was President of the American Historical Association in 2002-2003.

Users Review

From reader reviews:

Patsy Marshall:
