The Myth of Free Trade: The Pooring of America By Ravi Batra

As an antidote to our economic ills—the federal deficit, our reliance on foreign imports, widespread downsizing, environmental destruction—Dr. Batra sets out a five-year plan for economic revival that includes raising tariffs on imports, banning mergers among giant firms, and encouraging domestic competition by splitting huge corporations into smaller units.

In a front-page story in the Wall Street Journal, Pat Buchanan named The Myth of Free Trades as one of the cornerstones of his protectionist economic policy. Written by Dr. Ravi Batra, bestselling economist and author of The Great Depression of 1990, The Myth of Free Trade throws down the gauntlet to economic orthodoxy and challenges the gospel of free trade. Dr. Batra states that "laissez-faire has wrecked U.S. industry and shattered the American dream."

Users Review

From reader reviews:

Catherine Crider:

What do you concerning book? It is not important with you? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need that The Myth of Free Trade: The Pooring of America to read.

Michael Moore:

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this The Myth of Free Trade: The Pooring of America.

Bella Singer:

This The Myth of Free Trade: The Pooring of America is great reserve for you because the content which is full of information for you who all always deal with world and possess to make decision every minute. That book reveal it data accurately using great arrange word or we can say no rambling sentences inside. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having The Myth of Free Trade: The Pooring of America in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world with ten or fifteen small right but this publication already do

that. So , this can be good reading book. Hey Mr. and Mrs. occupied do you still doubt that will?

Miguel Lynch:

That publication can make you to feel relax. This specific book The Myth of Free Trade: The Pooring of America was multi-colored and of course has pictures on there. As we know that book The Myth of Free Trade: The Pooring of America has many kinds or category. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and believe you are the character on there. Therefore not at all of book are make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading this.
