Applied Mergers and Acquisitions CD-ROM By Robert F. Bruner

The CD-ROM for Applied Mergers and Acquisitions contains:

- * Generic templates. These are 26 spreadsheet programs written in Microsoft Excel, readily adaptable by you for hands-on experimentation and learning.
- * Questions and Answers. The "Questions" document has chapter-by-chapter questions to accompany the text, while the "Questions and Answers" document has the questions plus their answers.
- * Supplemental readings. For select chapters, supplemental readings are provided, such as "Smith vs. Van Gorkom.pdf," "Survey of Key Court Cases.pdf," "Documents for Filing with the SEC.pdf," "Lecture: The First Round Documents.pdf," "Lecture: The Definitive Agreement.pdf," and "Lecture: The Merger Proxy Statement-How to Read It and What It Reveals.pdf."
- * Crystal Ball simulation add-in software. This is useful for valuing real options as discussed in Chapters 14, 16, 22, and 23.
- * Key Spreadsheets from the Questions and Answers. These include 11 spreadsheets that show you derived solutions from the Questions and Answers, provided here to enable students to study the underlying Excel functions and formulae. These hidden functions and formulae can be useful to readers who ultimately wish to develop their own spreadsheets.
- * Key Spreadsheets from the Workbook. These are 16 spreadsheets from the Applied Mergers and Acquisitions Workbook (to be purchased separately), provided here to enable students to study the underlying Excel functions and formulae. These hidden functions and formulae can be useful to readers who ultimately wish to develop their own spreadsheets.

Andy Breaux:

Information is provisions for people to get better life, information today can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is inside the former life are challenging to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Applied Mergers and Acquisitions CD-ROM as your daily resource information.

Cleora Yarbrow:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but

nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Applied Mergers and Acquisitions CD-ROM can make you sense more interested to read.
