Leading Firms: How Great Professional Service Firms Succeed & How Your Firm Can Too By David Kuhlman

Leading a professional service firm is difficult enough in good times, and it is all the more risky in difficult ones. In *Leading Firms: How Great Professional Service Firms Succeed & How Your Firm Can Too* David Kuhlman, a highly respected management consultant to many of the world's top firms, gives an informed view on how those in professional services can achieve the same success as best-in-class firms. Most businesses claim that people are their most important asset, but Kuhlman explains that professional service firms are unique because their entire value chain consists of people who must differentiate themselves from competitors who often offer the same product in similar ways with near-identical messaging. *Leading Firms* is perfect for anyone who wants to explore their firm's potential and to better understand how the most successful firms in their industry arrived at their positions of leadership.
