Editorial Review

About the Author

Lisette Bellissimo has worked with SAP for over 11 years and 9 of those have been spent designing and implementing BW solutions for SAP clients. When SAP announced the certification initiative and the new exam, she became part of the leadership team that put together a virtual study group for SAP consultants studying for the BIE 7.0 Certified Application Professional Exam. She has taken and passed the exam.

Users Review

From reader reviews:

Linda Henderson:

Reading a publication tends to be new life style with this era globalization. With studying you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this SAP Certified Application Associate - Business Intelligence with SAP NetWeaver 7.0.

Melinda Miller:
