## Shifting Shadows of Supernatural Experiences: A Manual to Experiencing God By Julia Loren, James W. Goll

*Go beyond...*

Go beyond the realm of your natural senses to the *Shifting Shadows of Supernatural Experiences*.

Jesus is bigger than all of us. His power and ways transcend our understanding. But if we are to grow in all He has for us, we need to tap into what the Holy Spirit has for us today. This book is filled with actual experiences from church history, and modern-day testimonies that are all grounded in the Word of God. Open your heart to God as He delights in revealing Himself to you through spiritual experiences such as:

- Encountering Angels.
- Dreams, Visions & Miracles.
- Near-death Experiences.
- Testing the Spirits.
- Insights into Things to Come.
- How to Keep Jesus Central.

The authors are convinced of the importance of operating in God's supernatural realm:

*"Until authentic power displayed through God's prophets and healers infuses society, people will continue to turn toward the only source of power they see—occult and paranormal power displayed through television and in New Age circles."*
