The Journeys of Frodo By Barbara Strachey

An atlas of 51 maps charting the journey that Frodo and his companions undertake in J.R.R. Tolkien's epic work. Based on clear and detailed descriptions given in the text and on the original maps that appear in *The Lord of the Rings*, as well as Tolkien's own paintings and drawings of the landscape and features of Middle-earth, this book clearly shows Frodo's route, together with the paths taken by other principal characters. The two-colour maps provide enough detail to help the reader envisage the country through which the narrative moves, and each one also has extensive notes about the journey. Having loved the volumes of *The Lord of the Rings* since they first appeared, Barbara Strachey long wanted fuller and more detailed maps to go with them. Though not a professional cartographer or artist, she finally decided to create them herself. For nearly 20 years her efforts have provided readers of *The Lord of the Rings* with a new and more vivid idea of Middle-earth, and her book remains an essential companion to Tolkien's great masterpiece.

Editorial Review

Review

'A handy volume! a good guide to Middle-earth for The Lord of the Rings readers! a painstaking and successful achievement.' Amon Hen, The Bulletin of the Tolkien Society

About the Author

Barbara Strachey created these maps out of a life-long admiration of Tolkien's book and a perceived need for detailed maps. They long ago gained the status as the definitive maps of the journey.

Users Review

From reader reviews:

Joshua Lippert:

What do you about book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this particular The Journeys of Frodo to read.

Eleonora Plunkett:

People live in this new moment of lifestyle always try and and must have the free time or they will get large amount of stress from both everyday life and work. So , whenever we ask do people have spare time, we will say absolutely without a doubt. People is human not a robot. Then we question again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative within spending your spare time, the actual book you have read is definitely The Journeys of Frodo.
